

DARSHAN MAKWANA

Senior UI/UX Designer

Ahmedabad, India | +91 9106085062 | darshanmakwana0896@gmail.com | [LinkedIn](#) | [Behance](#) | [Portfolio](#)

PROFESSIONAL SUMMARY

Senior UI/UX & Product Designer with 6+ years of experience building scalable enterprise products, design systems, and complex web/mobile applications across Fintech, SaaS, and Web3 domains. Expertise in leading full-lifecycle design—from initial discovery and user research through wireframing, high-fidelity interactive prototyping, and WCAG-compliant design systems. Proficient in front-end development concepts (React, HTML/CSS/JS) and leveraging AI-powered design tools (Figma AI, Claude, Cursor) to streamline research, ideation, and developer handoff.

CORE SKILLS

Product Design, User Research & Discovery, Information Architecture, User Flows & Wireframing, Interactive Prototyping, Usability Testing, Enterprise UX, Design Systems & Governance, Accessibility (WCAG 2.1), Cross-functional Leadership, Front-End Integration

TECHNICAL SKILLS

Figma, FigJam, Prototyping, Design Tokens, Auto-layout, WCAG, HTML5, CSS3, Tailwind CSS, JavaScript (ES6+), React.js basics, Responsive Grid

PROFESSIONAL EXPERIENCE

Lead Product / UI Designer (Independent Consultant) | Self-Employed May 2026 - Present

- Delivered end-to-end UI/UX audits, responsive design systems, and rapid interactive prototypes for early-stage SaaS and mobile startups.
- Architected production-ready component libraries in Figma, streamlining developer handoff with strict auto-layout and tokenized styles.
- Consulted on user onboarding flows and conversion funnel optimization, improving task completion rates for private client projects.

Senior UI/UX Designer | Minddeft Technologies Pvt Ltd Feb 2023 - April 2026

- Led end-to-end product design for enterprise Fintech and Web3 applications, turning complex transactional workflows into friction-free, intuitive user journeys.
- Scaled and governed a centralized Figma Design System with comprehensive typography, color tokens, and interactive components, accelerating developer handoff by 35%.
- Spearheaded user onboarding and core dashboard redesigns, reducing user drop-off during multi-step verification and identity workflows.
- Partnered directly with engineering teams, utilizing front-end knowledge (HTML/CSS, React concepts) to ensure zero design debt and 100% WCAG 2.1 compliance during implementation.

UI/UX Designer | Coreway Technologies Nov 2021 - Oct 2022

- Executed end-to-end UX audits, user flow mapping, and wireframing for multi-tenant web platforms, reducing user navigation steps by 25%.
- Built high-fidelity interactive prototypes in Figma for rapid stakeholder validation and client usability feedback prior to sprint planning.
- Standardized responsive UI component libraries and design guidelines, ensuring seamless handoff to engineering teams and accelerated delivery.

Web & Graphic Designer | Digital Science Web Technologies Pvt. Ltd. Dec 2019 - Oct 2021

- Designed responsive websites and intuitive user interfaces with a focus on usability, accessibility, and seamless user experiences for international clients.
- Produced brand visuals, marketing graphics, and high-converting landing page layouts using Photoshop and Illustrator.

- Collaborated with developers to ensure accurate, pixel-perfect implementation of design mockups.
